

Dear Parents and Carers,

As part of our journey to becoming a gold Rights Respecting School, we are introducing a **"Right of the Month."** This initiative highlights one of the children's rights, taken from the United Nations Convention on the Rights of the Child (UNCRC), and helps our pupils explore what that right means in their everyday lives.

Each month, the chosen right will be shared and discussed in assemblies and classrooms. Children will take part in activities and conversations that help them understand how this right applies to them, to others in our school, and to children around the world. By focusing on one right at a time, we hope to deepen children's awareness of fairness, respect, responsibility, and the importance of valuing every individual.

We encourage you to join in at home by talking with your child about the monthly right and how it connects to family life, the community, and the wider world. Together, we can help our pupils grow as confident, caring, and responsible global citizens.
